About Us

About Us

At AKY Blocklaying Service, every job is unique and we pride ourselves on 100% satisfaction, from start to finish.

With forty two years of experience and skill within Darwin's Construction Industry, we get the job done right; first time, every time.

Custom and unique designs, repairs, slabs, fences, walls, houses and so much more.

Get in touch today, to find out how Tony and the team at AKY Blocklaying Service can help bring your next project to life.

Meet Our Director

Introducing Tony Yiallourou

Hi, I am Tony Yiallourou, Director and founder of AKY Blocklaying Service. With experience in the Darwin Construction Industry spanning forty two years, I'm committed to excellence and proud to call the Territory home.

From the humble beginnings of my days as an apprentice, to the fully certified, professional team at AKY Blocklaying Service today. The team and I have proudly serviced all areas of the Northern Territory; since opening the doors in 2000.

I have always made sure to network with the best businesses in the industry, in order to ensure every project is done at a competitive rate while upholding top quality standards.

Highly respected as an expert in my industry, I am passionate about my work, my local connections and bringing every project to life just as my clients pictured it.

I look forward to working with you.

Vision

At AKY Blocklaying Service we still believe in the values that built our business. Proudly local, family owned and operated and servicing all areas of the Northern Territory since 2000. When you think large scale commercial, small residential and one off unique projects, think AKY Blocklaying Service.

Mission

01

The fully certified, professional team at AKY Blocklaying Service travel to urban, remote, very remote and interstate areas delivering our quality services.

02

Equipped to tackle complex and large scale construction projects to minor repair jobs, you will see Tony, our Director on site with the team; overseeing every aspect of the job.

03

With experience in the Darwin Construction Industry spanning forty two years, Tony has always made sure to network with the best businesses in the industry. This ensures every project is done at a competitive rate and to top quality standards.

04

Our exceptional workmanship, outstanding knowledge of the industry and the Territory and our adaptability is what sets us apart from the rest.

Our Values

01 Territory Proud

From buffalos and barras, to boggy roads and builds, you'll find Tony and the team doing what they do best, because AKY Blocklaying Service proudly live, work and play in the Northern Territory.

02 Quality Products and Service

We guarantee our products and services and challenge you to find a more dedicated team of professionals. Insured, licensed, and registered, we deliver first time, every time.

03 Partnerships

Our strong networks and partnering with industry and other local companies is a business priority. We work with the best in the field, to deliver outstanding results for our clients.

04 Projects of all styles and sizes

We work on projects that are unique and range in size including, commercial, industrial, civil and residential. Every design and project is delivered exactly how the client envisages it coming to life.

ISO Compliant

At AKY Blocklaying Service, we are compliant with the International Standardization Organization's Standards (ISO) for the construction industry.

We pride ourselves in getting the job done right, first time and every time. To do this we ensure every team member is trained and licensed. We ensure we use regulated materials, processes and techniques, that are supported by the industry and compliant with the International Standards.

You can rest easy, knowing every aspect of your project build from the soil to the roof, to the hands that built it, to the paperwork that quality assures the job and the logistics and innovations that deliver your unique design; is in line with the governing practices, policies and standards.

With over 100 standards for the quality of the raw materials used in the construction of the cement and concrete slab for your new home, with AKY Blocklaying Service you can count on us to provide you with a safe and solid foundation to build upon.

The Stakeholders

Working together with our industry partners, regulators and clients to ensure we have quality and compliant structures and projects.

The Environment

Responsible disposal of waste from our worksites. Recycling and reuse of materials that can be salvaged.

The Pandemic

Covid safety plans, vaccinated staff and safe distancing protocols are all in place on our worksites.

Safety

Our Commitment to Safety

Essential to our work, is our commitment to safety during the preparation stage for and on the job. For our people, visitors, tradies and contractors who work for us and with us, we ensure we have productive and safe worksites, where we have planned every detail. It is a top priority for our team at AKY Blocklaying Service, as we work together towards zero harm.

Legislation

We are governed by the Work, Health and Safety Acts of 2011 and 2015.

Codes of Practice

Up to date and regularly reviewed for each Safety Work Method Statement (SWMS), for example

- Construction Work
- Prevention of falls in general construction
- Work Health and Safety Consultation, Cooperation and Coordination
- First Aid in the Workplace
- Managing Noise and Preventing Hearing Loss

Australian Standards

Compliant with the standards for Australia, tailored to every individual job and project. For example

- AS4602.1 – High visibility Garments

Other Documents

- WHS plans, Site rules and Project Risk Assessments
- Safety Data Sheets (SDS) For all hazardous substances must be available and reviewed before chemicals are used
- Manufacturers manuals and instructions
- Plant Risk Assessment

Quality

Our Commitment to Quality

Quality you can depend on. Our commitment to Quality extends to our partners, customers and products. Every step of the way you can count on 100% satisfaction from the team at AKY Blocklaying Service. From our quality products, that meet the standards and regulations to product reliability, durability and on -time delivery. We are experts when it comes to logistics and being solutions focused, for a quality service.

Australian Standards

Compliant with the Australian Standards for every job, as written in the documents that set out specifications, procedures and guidelines that aim to ensure products, services, and systems are safe, consistent, and reliable.

Quality Products and services

We deliver quality products and an elite service, first time and every time. The expert team will quality assure every aspect of the product and service.

Quality Management Systems

We have a quality management systems in place that extends to our account software, staffing, worksite ordering, workmanship, products and services.

Reducing Our Impact

Our Commitment to Reducing Our Impact

Responsible waste disposal is important, because we love the Territory in all its beauty and we want to live, work, play and fish for as long as we can. Our commitment to reducing our impact is a top priority at AKY Blocklaying Service.

Planning and Logistics

Reducing our impact starts with the planning. We order only what is required. We have efficient work site practices for managing everything from the transporting to the materials and the waste.

Waste Disposal on Site

Responsible waste disposal on every worksite. Containers for material recycling are set up on site and clearly labeled. The crew are trained in our material sorting policy, and bins are monitored periodically to prevent waste mixing, as a result of other crews or passersby throwing trash into the bins.

Recycling

We recycle everything that can be reused or repurposed. We have bins for sorting and transporting our recycables.

Industry Experts

Our expert team at AKY Blocklaying Service does it all, taking the fuss out of all your building and repair needs.

Government Contracts and Projects are our specialty. Guaranteed and quality assured to meet all WHS requirements, standards and project specifications.

We will take you through every aspect of the job and ensure we answer all your questions, every step of the project from start to delivery.

Trust the team who knows the Territory with your next project. Being local we understand Territory weather, we know where Katherine, Roper Bar and Ngukurr Community are and how to move materials and plan for all the logistics.

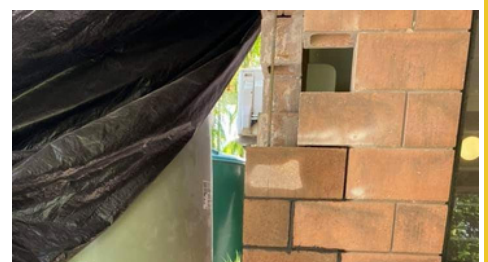

Our Project Portfolio

At AKY Blocklaying we are proud of every job, project and happy client. Having been in the business for a while, we have a stunning Project Portfolio including

- Custom and unique designs
- Repairs
- Slabs
- Fences
- Walls
- Houses and so much more.

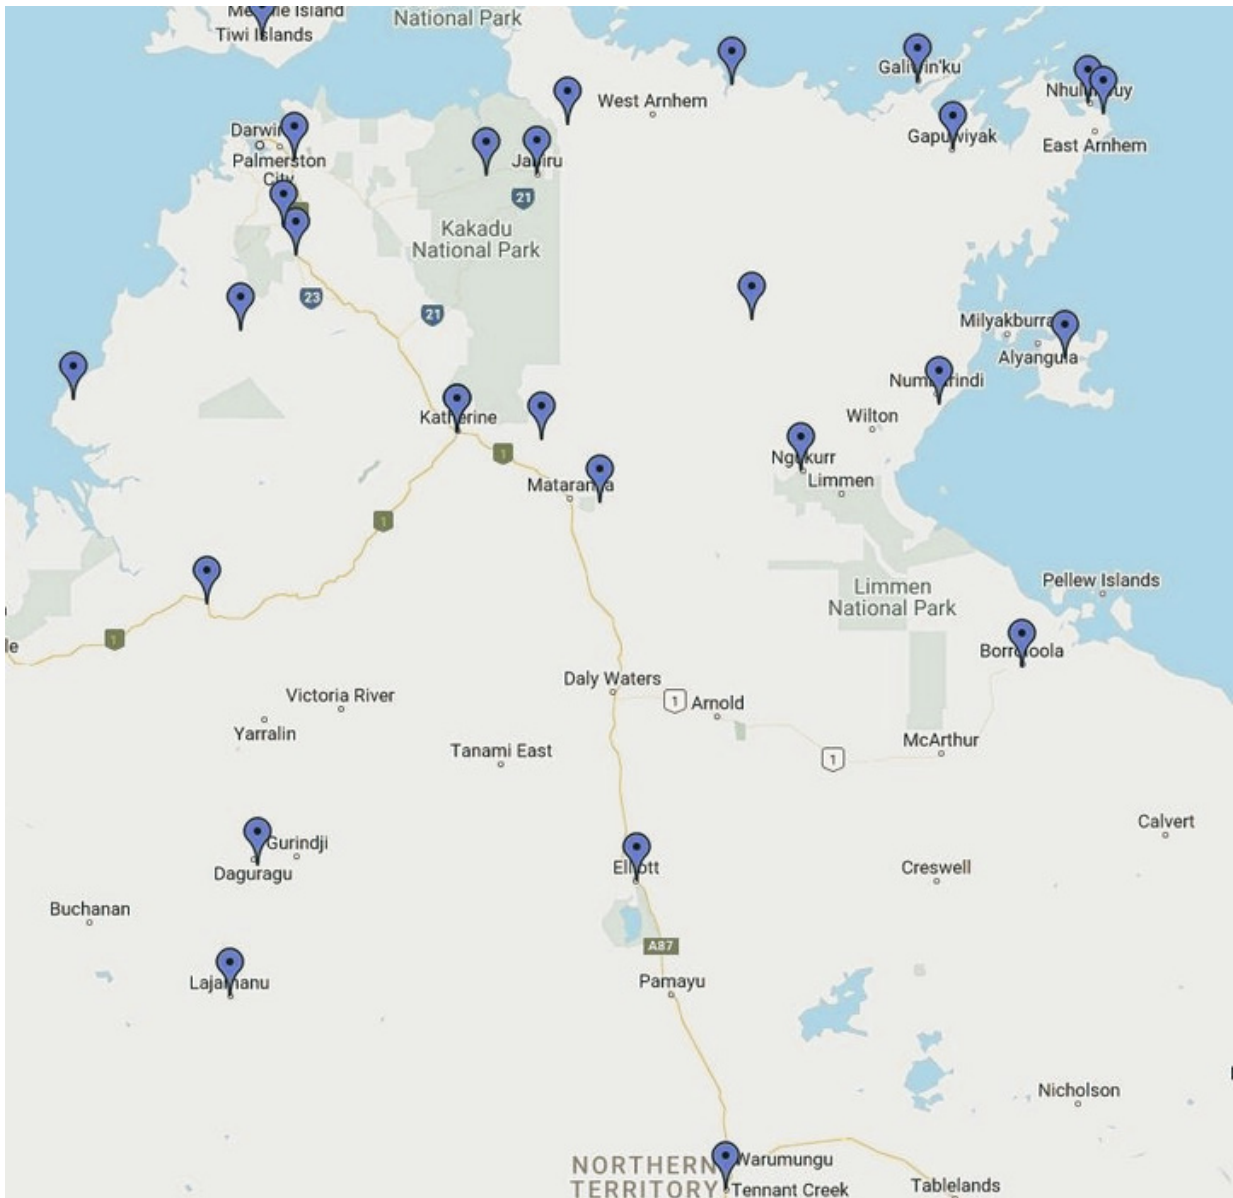

Fences and feature walls

Servicing the Territory

On Our Worksites

At AKY Blocklaying Service our worksites are our mobile office. If you are out and about in the NT, stop and have a look at our work. You will find Tony and the team everywhere, from Roper Bar to Maningrida, Katherine to Palmerston, Darwin and Ngukurr Community, just to name a few.

Testimonials

"We have used AKY Blocklaying on numerous projects and find their workmanship exceptional. Their finished product on our projects is some of the best work I've seen in my 10 years in the Territory and the customer service is just as good as the workmanship. Tony will always work in to make things happen with scheduling especially with challenging bush work situations, and is overall just a genuine good bloke. I have no dramas in recommending AKY Blocklaying for any of your blockwork needs."

Ben Thompson
OPERATIONS MANAGER /
ESTIMATOR

"Tony and the team from AKY are a highly organised and professional block laying team, who we have dealt with for many years. Tony gets the job done regardless of the location and hurdles which they may encounter, his knowledge of the industry and ability to adapt will ensure that any project gets done on time".

Craig Trezise
Managing Director

"I have been using AKY Blocklaying for 4 years now in some of the most remote locations in the Territory. Tony and his team are pleasure to work with and take the hassle out of blocklaying. Neatest door jambs and windows going and his crew are great with good manners and very respectful, hard to find in a block crew like them".
